My primary business is home inspections with **Associated Master Inspectors**, which include pre-purchase, pre-sale and maintenance inspections addressing all structural aspects of home construction. I have been doing this business for 26 years and have inspected over 12,936 houses. My office is located in my home in Portland Oregon. I have been on call on an “**as needed**” basis for the past 3 years with **Energy Trust of Oregon** to do their wind site assessments and inspections.
